# BABLU KUMAR YADAV

## WEB DEVELOPER

## PROFILE

Detail-oriented Web Developer specializing in CakePHP, with 2 years of experience in building robust web applications. Expertise in database management, RESTful API integration, and performance optimization. Committed to writing clean, maintainable code and enhancing user experiences. Looking for opportunities to advance my skills in a challenging development role.

## WORK EXPERIENCE

### ● Teq Mavens Pvt. Ltd

Web Developer

Nov 2022 - Jan 2025

Teq Mavens is a dynamic technology solutions provider specializing in web development and digital transformation. As a Web Developer, I worked extensively with Laravel for 2 years, focusing on designing and maintaining robust web applications. My role involved collaborating with cross-functional teams to implement user-centric features based on feedback and business requirements. I also optimized application performance and ensured code quality, significantly enhancing user experience and satisfaction.

### ● Internship With Worldsoft IT Solution Pvt.Ltd

Dec 2021 - Jun 2022

## PROJECTS

### • Bimquote

Worked on a construction-based project bimquote using CakePHP, focusing on API development, user registration, login systems, and managing purchase orders and invoices. Contributed to multiple aspects to enhance the system's functionality and efficiency.
